

Fase 2 Kalypso - Roberto Falconi - falconi.1663546@studenti.uniroma1.it

1. As an unregistered user, I want to sign up with username, e-mail and password so that I can become a user
2. As an unregistered user, I want to login with username or e-mail so that I can become a user
3. As a user, I want to have settings so that I can restore my password if I lost it
4. As a user, I want to use the cryptography algorithm so that I can type an encryption key
5. As an unregistered user, I want to use the cryptography algorithm so that I can use an auto-generated encryption key
6. As a user, I want to use the cryptography algorithm so that I can get tips about choosing a good encryption key
7. As a user, I want to use the cryptography algorithm so that I can see the weakness of my personal encryption key
8. As a user, I want to use the cryptography algorithm so that I can encrypt unlimited characters
9. As an unregistered user, I want to use the cryptography algorithm so that I can see how many characters left to be encrypted
10. As an unregistered user, I want to use the cryptography algorithm so that I can encrypt a message
11. As an unregistered user, I want to use the cryptography algorithm so that I can decrypt a message
12. As an unregistered user, I want to use the cryptography algorithm so that I can set a time-out to a message to be decrypted
13. As an unregistered user, I want to use the cryptography algorithm so that I can download the encrypted message in a text file
14. As an unregistered user, I want to use the cryptography algorithm so that I can upload the encrypted message from a text file
15. As a user, I want to have a personal profile so that I can see my username in homepage
16. As a user, I want to have a personal profile so that I can subscribe to mailing list
17. As a user, I want to have a personal profile so that I can delete my account
18. As a user, I want to have a personal profile so that I can logout from my session
19. As a user, I want to have a personal profile so that I can change my username
20. As a user, I want to have a personal profile so that I can change my e-mail
21. As a user, I want to have a personal profile so that I can change my password
22. As an unregistered user, I want to use QR Code so that I can transfer my encrypted message on my phone
23. As an unregistered user, I want to use the cryptography algorithm so that I can generate a QR Code with the encrypted message
24. As an unregistered user, I want to use the cryptography algorithm so that I can download the generated QR Code

25. As an unregistered user, I want to use the cryptography algorithm so that I can upload the generated QR Code
26. As an unregistered user, I want to contact developers so that I can get assistance or give feedback
27. As an unregistered user, I want to get a warning if the website is under maintenance so that I can know the status of the app
28. As an unregistered user, I want to see the F.A.Q. so that I can read it
29. As an unregistered user, I want to see a section About Us so that I can read it
30. As a admin, I want to have special settings so that I can delete users
31. As a admin, I want to have special settings so that I can modify users account
32. As a admin, I want to have special settings so that I can ban users
33. As a admin, I want to have special settings so that I can suspend the website
34. As a admin, I want to have special settings so that I can activate the website
35. As a admin, I want to have a special setting so that I can send newsletters
